To Whom It May Concern,

I have known Asaf Cholow professionally over the past 2 years. Mr. Cholow worked very hard to help us find our present apartment. I have found him to be a diligent and courteous professional. He works hard not only to satisfy his customers, but also to find out what will satisfy hi clients. He has been professional in representing his clients interests over the "quick" sale.

I can highly recommend Assaf Cholow without any reservation.

Sincerely,

Michael C Margulies MD
