To Whom It May Concern,

I have known Assaf Cholow for the past fifteen years. He is honest, smart, efficient and professional, in the full sense of the terms. I recommend him without any hesitation.

Assaf has managed our family home in Jerusalem for many years. Though our primary residence is not in Israel, we are always confident that Assaf will take care of our home with the absolute highest standards. Additionally, on many occasions, Assaf has gone beyond the call of duty to provide us with the utmost pleasant experience.

I feel fortunate to have met and worked with Assaf.

Sincerely,
