Ms. Assaf Cholow has been the property manager for my home in the Arnona neighborhood of Jerusalem for the past three years. During this time, Mr. Cholow oversaw the inspection and correction of structural defects, continues to take care of the payment of all bills associated with the home including electric, tax, homeowner association dues, and other expenses, inspects the premises on a routine basis providing detailed reports, and offers advise about real estate issues. Assaf oversees the cleaning of my home prior and after my visits to Jerusalem including stocking the pantry and refrigerator with all the necessary foods and products.

It is with great enthusiasm that I write this letter of reference for Mr. Assaf Cholow. Assaf has proven to be honest, reliable, highly intelligent and generous with this time and knowledge. It has been my pleasure to have worked with him and recommend Assaf without any hesitation or reservation.
