To Whom It May Concern:

I am pleased to recommend Assaf Chollow as an outstanding property manager. Assaf has many exceptional qualities and above all is his honesty and integrity.

Our family owns two apartments, one in David's Village and one in the David Citadel apartment building. Assaf coordinates visits with family, guests and people who occasionally rent our apartments.

Everyone visiting our apartment has only the nicest things to say about Assaf. He is friendly and courteous, dependable and reliable. He is capable and trustworthy and knowledgeable in all aspects of property maintenance.

Assaf's responsibilities include weekly inspection of the properties. He handles maintenance, cleaning, repairs and paying various bills relating to expenses for the apartments.

When we arrive in our apartments they are always clean and all the necessary supplies are well stocked, including fresh linen, towels, soap, shampoo, tissues etc. It makes our arrival easy and pleasant.

Assaf is intelligent, caring and treats our apartments as if they were his own..

As a result of our business association, Assaf and I have developed a close personal relationship and I consider Assaf a dear friend. He truly has extraordinary authentic concern and caring for people. He does not treat management as a job but with a genuine care for people and the properties he manages.

All the best,
